Commission on Governmental Standards and Conduct

Advisory Opinion No. 94-1

Written January 19, 1994, to Mike Ahlers, Rehabilitation Manager II, KVRC, Salina.

This opinion is in response to your letter of September 23, 1993, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state conflict of interests law (K.S.A. 46-215 et seq.).

Factual Statement

We understand that you request this opinion in your capacity as a Rehabilitation Manager II for the Kansas Vocational Rehabilitation Center (KVRC) in Salina, Kansas. KVRC provides vocational assessment to persons with disabilities from all over Kansas. You are under the Kansas Rehabilitation Services umbrella and funded with matched federal dollars. Your primary customers are KRS counselors. You have, however, also provided services to private vendors and other SRS divisions, such as Employment Preparation Services (KanWork). You are not involved in direct testing or assessment of consumers, although you do a great deal of training for counselors.

Effective October 1, 1993, KVRC has decided that, due to budget and resource constraints, it will no longer provide assessment services to private vendors. This basically translates to workers compensation cases and private rehabilitation counselors. This decision was made after your budget was approved at an "A" level, and KVRC had said that if it were funded at "A" then it would eliminate private referrals. The decision was supported by your administrator and the

commissioner.

You state that since you have notified private vendors of the agency's decision, you have been deluged with frustrations, negative comments, and private offers. You see the potential to set up a private office, purchasing an answering machine, test equipment, etc., to operate as a small business in the evenings and on weekends.

You also tell us that the contacts that were originally established did come from your course of work. There are other options for many of the vendors, but they like the work done by you. You acknowledge that your supervisor is opposed to your working with private vendors providing assessment services that supplant KVRC's (no longer available) assessment.

Question

Is it permissible under K.S.A. 46-215 et seq. for you to establish the part-time business you have described on off-duty hours when the business contacts were developed in your state position and the business will deal with services formerly offered by the state?

Opinion

We have reviewed K.S.A. 46-215 et seq. in its entirety and find only three sections of this act that might apply to your situation.

K.S.A. 46-241 states:

No state officer or employee shall disclose or use confidential information acquired in the course of his or her official duties in order to further his or her own economic interest or those of any other person.

K.S.A. 46-238 states:

No state officer or employee or candidate for state office or associated person shall charge to or accept from a person known to have a special interest a price, fee, compensation or other consideration for the sale or lease of any property or the furnishing of services which is substantially in excess of that which other persons in the same business or profession would charge in the ordinary course of business.

K.S.A. 46-286 states:

(a) No state officer or employee, in the officer's or employee's official capacity, shall participate directly in the licensure, inspection or administration or enforcement of any regulation of or in any contract with any outside organization with which the officer or employee holds a position.

(b) This section shall not apply to appointed or elected members of a state board, council or commission, except that no member of such board, council or commission shall participate in any license, inspection or contract on behalf of their state board, council or commission with any outside organization with which such member is associated or the holding of a position as a member of an advisory board, council or commission of an outside organization or of a position of a voluntary or charitable nature if the advisory, voluntary or charitable position is taken without remuneration other than reimbursement or necessary and actual expenses.

From a review of those sections, it is our opinion that it is permissible for you to establish the business you have described, but it is clear that you may not use confidential information acquired in the course of your official duties in the business. The price charged must be reasonable. You may not participate in licensing, regulating, inspecting or making contracts on behalf of the state with the business. Otherwise, we find no additional restrictions in K.S.A. 46-215 et seq.

In closing, we note that you have requested an opinion concerning two other individuals and they will need to seek their own opinions from us. In addition, our opinion is limited to the application of K.S.A. 46-215 et seq. and does not cover other state or federal laws or administrative agency rules or policies.

Advisory Opinion No. 94-2

Written January 19, 1994, to Thomas Sim IV, Administrator, Plant Protection and Weed Control Section, Plant Health Division, Department of Agriculture, Topeka.

This opinion is in response to your letter of December 28, 1993, in which you request an opinion from the Kansas Commission on Governmental Standards

and Conduct concerning the state conflict of interest law (K.S.A. 46-215 et seq.).

Factual Statement

We understand you request this opinion in your capacity as Administrator, Plant Protection and Weed Control Section, Plant Health Division of the Department of Agriculture.

You advise us that in the past the state has paid for the state chief apiary inspector to attend the annual meeting of the Apiary Inspectors of America (AIA). This year the meeting will be held in Ohio. Department funding for the trip was cut in the last budget.

The state chief apiary inspector has regularly attended AIA meetings in the past. Attendance at this meeting allows the state apiary inspection program to obtain the latest scientific and regulatory information regarding apiary science. Much of the meeting is technical in nature. The state apiary inspection program is the sole source of apiary technical and educational information in Kansas. In addition, the current chief inspector for Kansas is currently serving as AIA treasurer and a member of the AIA executive committee.

You also advise us that the Kansas Honey Producers Association has offered to fund a portion of the outof-state trip for the chief inspector.

Question

You ask whether the Kansas Honey Producers Association may provide partial funding for the chief inspector's trip to the AIA annual meeting?

Opinion

Two sections of the act may apply to your question. K.S.A. 46-237(a) states:

No state officer or employee or candidate for state office shall accept, or agree to accept any economic opportunity, gift, loan, gratuity, special discount, favor, hospitality, or service having an aggregate value of \$40 or more in any calendar year from any one person known to have a special interest, under circumstances where such person knows or should know that a major purpose of the donor is to influence such person in the performance of their official duties or prospective official duties.

K.S.A. 46-237(c) states:

No person licensed, inspected or regulated by a state agency shall offer, pay, give or make any economic opportunity, gift, loan, gratuity, special discount, favor, hospitality, or service having an aggregate value of \$40 or more in any calendar year to such agency or any state officer or employee of that agency.

Since the Kansas Honey Producers Association itself is not licensed, inspected or regulated by the state agency, the prohibitions in K.S.A. 46-237(c) do not apply here. Please note a different outcome would be reached if individual members of the association who are licensed, inspected or regulated were to offer to pay for the trip.

The question then turns to the application of K.S.A. 46-237(a). In K.A.R. 19-40-3a (b)(2)(a) "gift" was de-

fined to exclude, "goods or services which are provided to a state agency which does not license, inspect nor regulate the giver and are used to benefit the state as a whole." In this case, where the state agency would have paid for the trip and the trip serves as a valid state interest, it is our opinion that the state official is not receiving a gift but rather the state is and it benefits the state as a whole. Thus, the donation described does not violate K.S.A. 46-237(a).

Subject to the notice of bond sale dated February 1, 1994, sealed bids will be received by the city clerk of the city of Smith Center, Smith County, Kansas, on behalf of the city council of said city at the city clerk's office, City Hall, 119 W. Court, Smith Center, KS 66967, until 7 p.m. C.S.T. on Monday, February 14, 1994, for the purchase of \$720,000 principal amount of General Obligation Community Center Bonds, Series 1994. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered, except as hereinafter provided.

Bond Details

The bonds will consist of both fully registered serial and term bonds in the denomination of \$5,000 each or any integral multiple thereof. The bonds will be dated February 1, 1994, and will become due serially on October 1 in the years as follows:

Serial Bonds

	•	Principal
Year	**	Amount
1995		\$ 45,000
1996		45,000
1997	4 - A	45,000
1998		45,000
1999		45,000
2000		45,000
2001		50,000
	Term Bonds	
2014		\$400,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 1995, on bonds maturing in 1995 through 2001. Interest on bonds maturing in 2014 will be compounded semiannually, payable at maturity or when called for redemption prior to maturity.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day (whether or not a business day) of the calendar month next preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1995 through 2001 shall not be subject to redemption and payment prior to their maturity. At the option of the city, bonds maturing on October 1, 2014, will be subject to redemption and payment at any time prior to their maturity on October 1, 1995, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, without premium, plus accrued interest to the redemption date. Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 30 days prior to the redemption date. Thereafter, the paying agent and bond registrar will notify the owners of the bonds of the city's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after that date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 12-1736 et seq. for the purpose of paying the cost of certain municipal community building-library (public building) improvements. The bonds and the interest thereon will constitute general obligations of the city, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable, tangible property, real and personal, within the territorial limits of the city. Bidders are further advised of other funds which will be used to pay said principal and interest.

Additional Security

The city has entered into a written and binding agreement with the Srader Foundation by which said foundation will annually donate and transfer to the city a portion of the funds said foundation receives from the Milton A. Srader Charitable Remainder Unitrust, the annual contributions from said foundation under said agreement shall be an amount equal to at least \$30,000 of the amount paid to the Srader Foundation under the Milton A. Srader Charitable Remainder Unitrust. Upon the termination of the Milton A. Srader Charitable Remainder Unitrust and the implementation of the Milton A. Srader Charitable Trust, the annual amount shall be greater of \$30,000 or 75 percent of the amount paid to the Srader Foundation under "The Milton A. Srader Charitable Trust," and which contributions shall be used by the city to pay part of the annual debt service requirements of said bonds. The Milton A. Srader Charitable Trust is a perpetual trust and the contributions therefrom will be made to the city for as long as any of said bonds are outstanding. In the highly unlikely event that for whatever reason the contributions from said Milton A. Srader Charitable Trust or the Milton A. Srader Charitable Remainder Unitrust shall be less then those anticipated, the city is obligated pursuant to K.S.A. 10-113 to annually levy a tax upon all of the taxable tangible property within the city to pay the debt service requirements of the next installment of principal and interest on said bonds. To the extent the contributions are received by the city from said Milton A. Srader Charitable Trust or the Milton A. Srader Charitable Remainder Unitrust, the taxes levied by said city for the debt service requirements of the bonds will be reduced accordingly.

Condition of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed the maximum rate allowed by Kansas law, equal to the 20 bond index of treasury bonds published by the Bond Buyer in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No bid of less than the entire par value of the bonds (except as hereinafter provided) and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be considered. Each bid must specify the total interest cost to the city during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid, all certified by the bidder to be correct, and the city will be entitled to rely on the certificate of correctness of the bidder. Each bid must also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices), if the bidder intends to offer said bonds to the public.

Bonds maturing in the year 2014 will bear interest thereon from date of issuance which interest will be compounded semiannually at the stated rate of interest thereon and will be payable at maturity or at the time that said bonds are redeemed if called and redeemed prior to their stated maturity.

Notice to Prospective Bidders

Prospective bidders are advised that the Smith County State Bank and Trust Company and the First National Bank of Smith Center, both banks being located in the city of Smith Center, Kansas, have agreed to purchase all bonds maturing in the years 2014 at par and accrued interest to date of delivery at a rate of 4 percent per annum, and said banks will be submitting bids to purchase said bonds at said rate of interest. At this time said banks have indicated the intent to hold said bonds until maturity. If said banks fail to submit bids in the manner above described, the city reserves the right to reject any and all bids on all or any portion of the bonds.

Bidders may submit bids on (1) only those bonds maturing October 1, 1995 through October 1, 2001 (\$350,000); or (2) on only those bonds maturing on October 1, 2014 (\$400,000); or (3) on the entire issue (\$720,000). The city reserves the right to award bonds to the bidder or bidders submitting the bids most favorable to the city as determined in the sole discretion of the governing body of the city based upon the net interest costs to the city, to waive any irregularities in any bid and to reject any and all bids.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of 2 percent of the principal amount of the bonds covered by each bid: (\$14,400 for the entire issue; \$6,400 for only those bonds maturing 1995 through 2001; \$8,000 for only those bonds maturing in 2014), payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check or the proceeds thereof will be held by the city until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the city fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the city as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the

city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city council will determine which bid, if any, will be accepted, and its determination is final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid. Any bid received after 7 p.m. on the date of sale will be returned to the bidder unopened.

Bid Forms

All bids must be made on forms which may be procured from the city clerk or from bond counsel. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk of the city of Smith Center and marked "Proposal for General Obligation Public Building Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the city's office in the city hall and must be received by the undersigned prior to 7 p.m. C.S.T. on February 14, 1994.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on or assigned to the bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city. The successful bidder shall make the application for said CUSIP numbers.

Delivery and Payment

The city will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before March 28, 1994, at such bank or trust company in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity.

Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 10 a.m. C.S.T. on March 8, 1994. In the absence of such information, the city will

deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 10 a.m. C.S.T. on March 11, 1994, a certificate acceptable to the city's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices (if the bidder intends to offer the bonds to the public); and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Official Statement

The city has prepared an informational statement dated February 1, 1994, copies of which may be obtained from the city clerk or from bond counsel. Upon the sale of the bonds, the city will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered at the successful bidder's expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable, tangible property within the city, for the year 1994, is as follows:

Equalized assessed valuation of taxable, tangible property including the valuation of motor vehicles computed pursuant to K.S.A. 10-310, for computation of bond debt limitation

\$6,500,793

The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds being sold, is \$1,205. The city currently has no outstanding temporary notes.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Opinion of Bond Counsel and Internal Revenue Code of 1986 as Amended

The Internal Revenue Code of 1986 as amended imposes requirements on the city that must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of

certain corporations.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships. Interest on the bonds is excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Bonds Not to be Rated

The bonds will not be rated by Standard & Poor's Corporation or Moody's Investors Service, Inc., or by any other bond rating service.

Additional information regarding the bonds may be obtained from the city clerk, Rhonda Hyman, 119 W. Court, Smith Center, KS 66967, (913) 282-3812; or from bond counsel, Fred W. Rausch, Jr., Suite 201, 220 S.W. 33rd, Topeka, KS 66611, (913) 267-3470.

In this instant game, the game symbols are printed in black ink in "WGI Symbol Font 10" with matching captions in "WGI Cap Font." A game symbol appears in each of six play spots within the play area. Each game symbol for this instant game is one of the following: \$1.00 - \$5.00 - 10.00 - \$100\$ - \$500\$\$\$\$ - 12 - 13 - 14 - 15 - 16 - 17 - 19 - 20 - 21.

with each game symbol is as follows:

covered by latex.

(d) "Book-ticket number" means the unique number appearing on each ticket which includes the number of the book from which it was removed and the serially assigned number of the ticket within that book. For this instant game, the book-ticket number is an 8-digit book number followed by a dash and then a 3-digit ticket number. The ticket numbers in each book start with 000 and end with 299. The book-ticket number is printed in black ink on the bottom portion of the front of each instant game ticket.

(e) "Retailer validation code" means the small letters found under removable covering in the play area of each instant game ticket. The retailer uses this code to verify and validate winners which are to be paid by the retailer. In this instant game, the retailer vali-

The codes and their meanings are as follows: CC = \$1.00; DD = \$2.00; EE = \$3.00; KK = \$5.00; BB = \$10.00; GG = \$15.00. 111-4-545. Determination of instant prize winners. An instant prize winner is determined in this "beat the dealer" instant game when the player "scratches off" the removable layer of material covering the play area to reveal the four separate games, entitle "GAME 1," "GAME 2," "GAME 3," and "GAME 4," and "DEALER'S" representing the dealers hand. Under each game is a game symbol number and under each number a game symbol dollar amount appears. Under "DEALER'S" a game symbol number appears. If a player's game symbol number is higher than the "DEALER'S" for any game the player wins the amount shown immediately below that game.
